TECHNOLOGY TECHNCIAN

20 hours per week (term-time only)

Grade 4 SCP 5-9 £26,427-£28,153 (£11,919-£12,697, pro-rata)

Sir John Nelthorpe School is seeking a skilled and enthusiastic Technology Technician to join our supportive and creative Art & Technology Faculty. This is a part-time role, working 20 hours per week, ideally spread across the week, and is particularly well-suited to a retired technology teacher or an individual with similar experience and practical skills in a workshop or educational setting.

You will play a key role in supporting the faculty by:

- Preparing lesson materials, resources, and equipment for practical lessons in Textiles, 3D Design, CDT, Art, and Food Technology across Key Stages 3, 4, and 5.
- Stock control and other administrative tasks to ensure the smooth running of the faculty
- To assist in the maintenance of wall displays
- To maintain storage areas in a tidy state
- To assist in the production of specialised tools and jigs as necessary
- Assisting teachers with classroom setup and demonstrations where required.
- Maintaining and organising tools, machinery, and workspaces in line with health and safety standards.
- Regular use of Circular Saw, Radial arm saw, Chop Saw, Router, Table saw to support the faculty
- Undertaking routine maintenance of workshop equipment and ensuring resources are well-stocked and ready for use.

We're looking for someone who:

- Has a strong practical background, ideally in a technology-based subject or workshop environment.
- Understands the importance of supporting high-quality practical teaching and learning.
- Can work both independently and as part of a team.
- Has a proactive, organised, and safety-conscious approach to their work.
- Brings enthusiasm and a positive attitude to school life.

Why join us?

Sir John Nelthorpe School is a high-achieving, well-established secondary school with a strong sense of community. You'll be joining a dedicated and friendly staff team committed to helping pupils achieve their full potential through engaging and creative practical experiences.

How to Apply

Please note, we do not accept CVs. To apply, please complete the application form via the North Lincolnshire Council website . If you would like to visit our wonderful school before the closing date please email or call 01652 656551 at your earliest convenience to arrange. The closing date for applications is **9:00am on Monday 2nd November 2026**.

Sir John Nelthorpe School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful applicant will be required to undergo an enhanced DBS check.

TECHNOLOGY & ART

Structure of the Faculty

The Technology & Art Faculty is led by a Head of Faculty and supported by an Assistant Head of Faculty. There are three full-time teachers and two part-time teachers within the faculty and the faculty is supported by two part-time technicians. There is also an assigned Senior Leadership Team line manager.

The Technology & Art Faculty continues to grow and develop, offering pupils a diverse, dynamic, and forward thinking curriculum. Each member of the team is given an opportunity to contribute to our pupils' experiences of the subjects taught within the faculty, building on the expertise within the team. In addition, faculty-wide systems and a collaborative ethos, including a collaborative approach to planning and resourcing lessons, mean that the Technology & Art Faculty is one in which teachers can thrive and develop. Most staff within the faculty currently teach across multiple subjects within the faculty.

Curriculum

Key Stage 3 (1 x 50 minute lesson each per week)

- Art
- Design & Technology

Key Stage 4 (3 x 50 minute lessons each per week)

- AQA GCSE Art (Fine Art)
- AQA GCSE Art (Photography)
- AQA GCSE Art (3D Design)
- AQA GCSE Food & Nutrition

Key Stage 5 (5 x 50 minute lessons per week)

- AQA A-Level Art & Design

Our curriculum is based around a three-year KS3 and a two-year KS4 model. Teaching groups are taught in mixed ability. Through a carefully planned curriculum, with guidance and support, we hope that every pupil can find enjoyment through their learning of creative subjects in such a way that it prepares them to express their individuality and originality using a variety of practical mediums.

The faculty places high value on pupils' engagement within design work, promoting their creativity to produce outcomes of an outstanding nature; there are opportunities to develop the extra-curricular activities offered by the faculty, which currently include entries to various local art competitions, STEM, Art & Food clubs, Trash Fashion Week, plus a variety of house competitions within school. We work as a faculty to plan courses and to develop resources for use in delivering the curriculum. Much of our success as a team stems from the corporate approach that we take to all aspects of teaching and learning and the willingness for all members of the team to work together to achieve our common goal of being 'outstanding'. You will join the faculty at an exciting time. We currently have at our disposal a mixed-material workshop space, two design classrooms (one is equipped with a full suite of PCs), one food & nutrition kitchen, a textiles room and two art rooms (inc. a full suite of laptops). It is the intention to be able to relocate the faculty into brand-new state of the art facilities.
